PROJECTS

Gone Wrong

May 2026 – August 2026

VFX Animator

- Animated a horror-themed VFX character in Blender.
- Refined animation timing with feedback from the VFX lead and director.
- Collaborated remotely, meeting twice weekly to review and critique progress.

Me in a Nut Shell

May 2025 – May 2026

Character Animator

- Animated a 3D character with a 2D stylized aesthetic in Autodesk Maya.
- Performed across multiple camera angles while collaborating with a multidisciplinary team to deliver a short film over a year-long production cycle.

Domaine De La Citadelle × SCADPro

March 2025 – May 2025

Team Lead

- Led a two-month rebranding initiative for a winery in Lacoste, France.
- Developed visual identity systems in Adobe Illustrator and Canva.
- Produced 3D brand visualizations in Autodesk Maya, and designed packaging prototypes in Rhino.

WORK EXPERIENCE

Server

May 2025 – Current

Parker's Grill and Tavern

- Worked with a team of 10 to efficiently manage customer inquiries and process orders using the restaurant's point-of-sale system during busy shifts.
- Efficiently managed service for 5+ tables simultaneously, coordinating food orders and customer requests in a fast-paced environment.
- Collaborated with a team of 10 to deliver friendly service, consistently receiving positive feedback from 50+ customers daily.

Counselor

April 2025 – August 2025

KE Camps

- Coordinated daily schedules for a team of 3 counselors, prioritizing tasks and managing activities efficiently.
- Led groups of 10–15 children ages 5 to 12 in structured activities, enhancing teamwork and developing communication skills through games and cooperative projects.
- Coordinated logistics for upwards of 5 daily events with a team of 3, enhancing event readiness and participant satisfaction through structured scheduling and communication tools.
